There are a lot of “special” days listed on this calendar. Let them inspire you by doing some of the activities suggested. Be creative and have fun. Show others what you’ve done.

We will share these special days with dietary. Maybe they will be inspired to do some special foods.

Pokeno has been added to the calendar. This will take place in the first floor hallway. If more come than can be accommodated, we’ll add an additional time to play. Please be patient as we figure things out.

Watch the bulletin boards if more activities can be added.

All activities will require social distancing and wearing masks.

Each Monday you will find a “word puzzle” on your lunch table. Work with your table mate and neighbors to solve these. No peeking at the answers on the back. A “Just For Fun” activity.
