This information is in conjunction with the requirements from the Department of Health and our quest to be transparent. More than ever our goal is to keep family members informed and this information is a supplement to the information you will receive if you have a loved one in a StoneRidge Retirement Living Community and they have been in close contact with someone who has COVID-19, is suppeted to have COVID-19 themselves on needs to be tested to rule out COVID-19 based on their medical status.

What do I do if I am concerned and want to know if my loved one is at risk or has COVID-19?

If you have not received a phone call from a team member within our facility your loved one has not been identified as being at risk. Please continue to utilize the below chart as a reference for what is transpiring within the facility. It is essential for our staff to spend their efforts on the management of resident tare needs. We encourage you to allow this tool to be the general information for you to review during this pandemic.

This information is being broken down very specifically as we continue to manage our facilities and eliminate and/or isolate the threat within a specific community. Information can be accessed by calling 717-866-3200 and selecting "6" from your phone key pad or through our StoneRidge Retirement Living Community Website. Information will be updated daily at 12 pm based on information as of 8 am.

The following guide is broken down by facility and level of care. Skilled nursing, Personal care and Staff member statistics are further outlined by color to assist you in quickly identifying information realtive to your loved one. Colors are assinged as outlined below: Skilled Nursing Facility Resident Information

Personal Care Facility

Staff Information

* Information related to Independent Living will not be publically reported through StoneRidge Retirement Living. Residents residing in Independent Living are not required to report their clinical information to StoneRidge Retirement Living. While StoneRidge continues to provide education and resources on COVID-19 prevention to our Independent Living residents, this information is to insure a safe community while upholding individual rights related to protected health information and personal privacy.

* If StoneRidge Retirement Living Community receives any information related to an Independent Living resident who may be at risk for COVID-19 exposure, residents affected will be notified by the StoneRidge Director of Independent Living.
