5/28/20 StoneRidge Poplar Run will be visited by the Commonwealth of PA COVID-19 Support Team on Saturday at 9:30am. During this visit the Support Team will meet with facility leadership and tour the facility, review the facility infection control program and response plan for COVID-19 risk mitigation and collaborate with the facility on how to continue efforts at COVID-19 prevention and management. Training opportunities will be reviewed for continued support as needed. We are very pleased and excited to partner with the COVID-19 State Support Team as we continue to deliver Quality of Care and develop best practices related to COVID-19 management.
