## EXECUTIVE STATEMENT

Welcome and thank you for visiting our website. As you navigate through these pages, we hope that it will affirm that StoneRidge Retirement Living provides a compassionate and caring environment, and why our retirement living accommodations are worthy of consideration for yourself or a loved one.

As Executive Leadership, we are pleased to represent a committed, loyal and caring board who oversees the governance of our communities — Towne Centre and Poplar Run, in Myerstown, Pa. We take our fiduciary responsibilities very seriously and are pleased with the care, compassion, financial health and security we provide to our residents.

We work closely together to provide leadership to an organization that strives to demonstrate Christian character, values and principles. The effort is joined by the members of the Senior Leadership team as well. Our focus is on casting a vision that addresses the present and future needs of our communities and its residents. We seek to accomplish this through careful planning, due diligence and creative problem solving.

We have built a strong foundation for an even brighter future at StoneRidge Retirement Living. Continued renovations and updates to maintain modern facilities is top priority. Providing comfortable accommodations and excellent service to our residents to enhance their retirement living is what we are all about. We invite you to experience all aspects of StoneRidge Retirement Living.

In Christ's Service,
