ACCOMMODATIONS

All Personal Care units are private efficiency-style apartments featuring in-suite bathroom/shower facilities and built-in kitchenette. Residents are encouraged to outfit their suites with personal furniture pieces, television and effects that will create the feel of "home".

Our Personal Care residents are welcomed to decorate their units and express their interests and personalities. We encourage family members to get involved as well and help their loved-one create the most comfortable living environment possible.

Married couples are permitted to occupy Personal Care suites, however, under required regulations each person must occupy a suite.
