ADMISSIONS PROCESS

StoneRidge Retirement Living's Personal Care accommodations are available to individuals being referred from a hospital or as a member of the community. Individuals who may qualify for entry into Personal Care at either our Towne Centre or Poplar Run communities could show signs of difficulty in taking their medications, preparing meals and maintaining personal hygiene. Family members may also be concerned with a loved-one's ability to live in the community at-large on their own.

If you are interested in entering yourself or a loved-one into Personal Care, below is an outline of the admission process.

- 1. Contact Janelle Etnoyer, Admissions Coordinator at StoneRidge Retirement Living.** She will discuss the various needs and areas of concern with respect to a potential resident's level of function and problem areas, and supply an application. Janelle can be contacted at 717-866-3504 or via email at janelle.etnoyer@stoneridgeretirement.com or also by fax at 717-866-3291.
- 2. Complete the application.** It is a ten-page form that contains contact information, medical profiling, treatment history, level of functioning, and financial information.
- 3. Participate in pre-admission assessment.** This assessment will consist of a meeting with Janelle Etnoyer, in which a capabilities screening will occur to ensure the potential resident qualifies for Personal Care.
- 4. Medical Evaluation Form must be completed by family doctor.**
- 5. Schedule move-in date.** Move-in date depends on the availability of a room.
- 6. Sign admission agreement.**
- 7. Referral of services available in the Myerstown community.** If needed, StoneRidge will offer recommendations of local hairdressers, churches, banks, etc...
