## OVERVIEW

StoneRidge Retirement Living draws upon a distinguished heritage of administering exceptional healthcare services to seniors in a compassionate, Christian environment. Nowhere is this more important than to those suffering with the prolonged effects of chronic illnesses. The exceptional skilled nursing services delivered by StoneRidge Retirement Living in our Towne Centre and Poplar Run communities are in great demand. Why? Because the public we serve in the Central PA area recognizes our:

- Consistently superior level of care, compassion and personal attention
- Continued investment into new technologies, modalities and techniques to increase patient and family satisfaction and quality-of-life
- Flexibility in the admissions process, personalized care plans and communications with family members
- Fidelity to fulfilling our mission over the years; our growth is evidence of our commitment to not only meeting the healthcare needs of our seniors, but also never wavering from the Christian emphasis of that mission

We take our commitment seriously. When you or a loved one is entrusted to our nursing unit, they will receive an unmatched level of personal attention and compassion during the administering of their daily care and the additional services that are outlined.
