OVERVIEW

Independent Retirement Living at Poplar Run means choosing from a wide range of comfortably appointed accommodations, immaculate surroundings and generous amenities to enhance life, every day. But the real appeal lies in the true meaning of "independent living." The ability to come and go as you choose. The freedom to pursue those activities, which provide fulfillment and avoid those which don't. It means goodbye to work and the demands of others; the opportunity at long last to concentrate on "you."

And of course the daily joys of basking in the warmth of genuine friendships and the support of a caring team and organization that puts a premium on sharing Christian love. It means the fun of entertaining and introducing a whole new set of folks to your famous oyster stew.

Individual freedom and personal expression wrapped up in a community of ideal size. That's independent living at Poplar Run.
