STONERIDGE RESIDENT ASSOCIATION

Formed in 1990 under prior ownership the StoneRidge Poplar Run Resident Association serves as an open line of communication between and among independent living residents at Poplar Run, and between those residents and the Senior Leadership Team. Quarterly meetings are held and open to all Poplar Run independent living residents. Meetings are both structured, with set agenda items, and open forum to encourage resident participation in asking questions, airing concerns and communicating items or announcements of importance.

The Resident Association President, an elected position, as are all officers, is the official liaison and advocate of the residents regarding the resolution any problems or issues voiced which require the involvement of the StoneRidge Retirement Living Leadership Team, and the Senior Director of Independent Living.

The association is governed by an Executive Committee — comprised of the president, two vice presidents, treasurer, and secretary. The executive committee meets every month.

An important component of the Resident Association is the various sub-committees which are entirely comprised of dedicated and energetic residents. For example, the [Poplar Run Gift Shop](#) is managed and staffed solely by residents, with proceeds being used or saved toward dedicated uses which directly benefit all residents.

Reverend Donald Schwenk is the current Resident Association President.
