Shopping Trips: monthly shopping trips are still to be announced for this month, please check the activity binder (outside the Café) for updates.

Supper Outing: HEADS UP!! I am in the process of attempting to schedule an outing for those interested in going out for dinner. More details to follow!!

New Activities:

- Sit & Sip – will be scheduled weekly with the hopes that residents will come for a treat, and sit and socialize!
- Beanbag Baseball – weather permitting, I hope to introduce this new activity on Tuesday, 7/13 @ 2pm outside (LeTort Front Entrance). It is similar to cornhole, but with a baseball theme!

REMINDERS: with hotter temperatures we have been seeing lately, please remember to stay hydrated, and wear sunscreen, hat, sunglasses when outside!!

Chapel Worship Services UPDATE: beginning Thursday, 7/8 residents will be invited back to attend worship “in person”. Masks will be REQUIRED during the services with seating being distanced. I was informed that nursing residents will primarily be attending on Thursdays with PC and IL welcomed for both Sunday and Thursday services. I encourage you to continue to practice safe social distancing practices if you chose to attend, and limit direct contact with those in other levels of care. Services will continue to be broadcasted on the in-house channel.
